# Do You Sing?

Pictures and words by  
De Anna Spencer

Front cover ↑

Do you write your first **and** last names? Have someone print them in marker on the first line so you can trace, then use the next two lines to practice by yourself.

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line, repeated three times.

Read this with me:

Think of all the wonderful things you can do. Can you ride a bike yet? Can you jump a rope? You certainly can hug! But there will come a time in your life when you will need to do something that is difficult, maybe even impossible in your eyes. Maybe you will need to tell the truth when telling a lie would be easier. Maybe you will need to spend the afternoon inside doing chores instead of playing outside with friends. That is the time you must remember this: when you live your life always trying to do what God would want you to do, even the most impossible things will be possible with Jesus on your side. Ask Jesus to help you do things that will make him happy!

*Philippians 4:13*  
*Philippians 2:13*

## Thinking Time

Have you ever jumped in a puddle?  
Does a fish need to hold its breath?  
Why do you think God wants you to be kind?

Draw something the seal balances on his nose.
