Practice writing special messages to bring joy to someone.

I love you.

You are my friend.

God bless you.

Read this with me:

The little girl in the story sure has her wheels a'turning! She's making up and carrying out plans to be kind to a lonely neighbor.

Jesus tells us that whenever we are kind to someone without expecting anything nice in return, we are being kind to him too!

Why don't you put together a card or some goodies for someone you know who may be sad or lonely? How happy you will make them *and our Lord!*

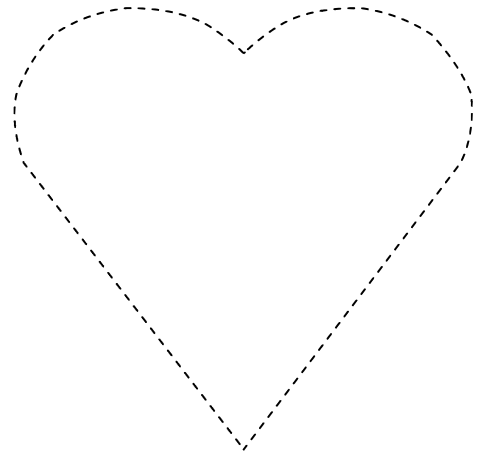

Matthew 25:40
Romans 5:5

Thinking Time

Think about a time when you felt a little wheel turning in your heart. What did you do? How can you bring joy to someone else? Will it cost any money to do it?

Trace the dotted line to draw a heart.
