

In My Heart

there's a little wheel turning in my heart.

There's a little 😊 joy
jumping in my ❤️ heart.

There's a little 😊 joy
jumping in my ❤️ heart.

In my ❤️ heart,

in my ❤️ heart,

there's a little wheel turning in my heart.

There's a little  wheel

turning in my  heart.

There's a little  wheel

turning in my  heart.

In my  heart,

in my  heart,

there's a little joy jumping and
a little song singing;

There's a little  song
singing in my  heart.

There's a little  song
singing in my  heart.

In my  heart,

in my  heart,

there's a little song singing in my heart.
