Draw something that God has given to you, and then trace your thanks.

Thank you, God.

It sure is fun to give gifts. Watching a loved one opening up a present is so exciting. You wonder, will they like it? But when Jesus said, "It is more blessed to give than to receive" he was speaking about more than just the gifts that can be wrapped. Jesus was talking about the gifts of our love, our care, and our time. These are the best gifts of all!

The children in our story are visiting their grandparents. Look to see what kinds of gifts they give—and remember, it's not only the ones that have bows on top!

What gifts can you give today?

Acts 20:35

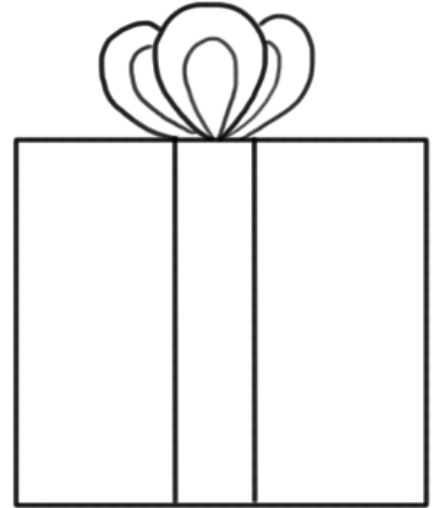

Thinking Time

What does it mean to give of your time?

How many grandparents do you have?

Color the gift. What is inside?
